### Audition format:

- **Acting:** You will perform a scene or monologue. This will be provided in the audition package. It does not have to be memorized, but be prepared to bring your character to life.
- **Singing:** We are looking for soul, swagger and energy. Prepare 16-32 bars of a song in the style of the show [1970s Disco, Motown, or Soul]. Please no hymns. There will be a pianist who will play for you. Please no a cappella performances.

For style, think:

- Nuns = Disco \ Motown inspired pop songs (Donna Summers, Gloria Gaynor, Supremes, etc)
- Thugs = Soul \ R&B (Barry White, Temptations, etc)
- Mother Superior = Musical Theatre Power Ballad
- **Choreography:** There will be a dance call in the middle of each audition night. Those who are auditioning in the first half are asked to come for their designated time, and stay until the dance call is over. Those in the second half are asked to come for the dance call, and then stay until their scheduled audition.
